COMMISSIONED  
Paintings

You can hire Mike to do paintings for you.

This canvas painting was completed for a customer who likes the old-school spanking art and sizable derrieres. The customer provided Mike with a description of the basic scene he wanted; A young girl who has stayed out too late (note clock time) on her date and is facing punishment for her tardiness. Made to create her own instrument of punishment (twigs gathered

with ribbon) she awaits openmouthed. Mike meets all requirements and adding pink satin ribbons everywhere, sexy hosiery, and linoleum floors. The picture has a great, retro look.
